

## Summer 2011 Camper Application

An important note to families applying to Stagedoor Manor:

Stagedoor Manor has been very fortunate and our reputation has now spread worldwide. In 2010, we will be hosting campers from almost every state – and every continent but Antarctica! During our off-season, Stagedoor performed in the grand finale of the Macy's Thanksgiving Day Parade in New York City and Theater Geek, a new book about Stagedoor written by Mickey Rapkin, was released on June 1st.

**If you are interested in attending Stagedoor Manor during the summer of 2011, please send in your application (and deposit) immediately.**

We begin processing new camper applications on October 15th so we may give returning campers the opportunity to submit their application prior to processing new camper applications.

We process applications in the order that they are received. If you delay, you will seriously limit your chance of acceptance into our program.

We've added this note to the application packet because, in the past, our process and instructions were often misunderstood. Some parents read the application and believed that – since we do not process new camper applications until October 15th – they should wait until October to mail in the applications. This is not the case. You want to mail in your application as soon as possible.

If we are unable to place you when we receive your application, you will be notified and put on a wait list. Your check will not be cashed until we inform you of an opening and you accept it, in writing. Please give as many options as possible when selecting sessions (indicating order of choice) to improve your chance of getting in. Mail your application and deposit to:

Stagedoor Manor  
8 Wingate Road  
Lexington, MA 02421

**Because we want to provide the best possible experience for every camper, Stagedoor Manor has developed policies designed to ensure a safe, productive and friendly camp community. In order to do so, we ask all of our parents and campers to read the Parent-Camper Handbook (which is available online) and agree to the policies outlined on this contract. Your signature on this application indicates your agreement with these policies.**

1. No camper may use or have possession of any illegal drug while at Stagedoor Manor, either on camp property or any excursion outside of camp.
2. All medications, including over-the-counter drugs and vitamins, must be kept in the infirmary. Inhalers, epi-pens, and other life sustaining items may be kept in the camper's room with the nurse's permission. Campers and staff may not give any medication to another camper or staff member.
3. No camper may use or have possession of alcohol while at Stagedoor Manor, either on camp property or any excursion outside of camp.
4. No camper may use or have possession of cigarettes, cigars, or other tobacco products, cigarette lighters, or matches. The smoking ban is in effect for campers on all camp property including the road in front of camp and any excursions outside of camp.
5. Violent action to other people, animals, property, or to yourself is prohibited. You may not physically strike anyone under any circumstance. Campers, staff, and parents agree to respect all members of the community and will refrain from abusive or intimidating language or mistreatment of any kind.
6. Campers are strictly prohibited from engaging in sexual activity or excessive displays of affection.
7. Campers agree to remain on camp property, leaving only as part of a regularly scheduled camp trip, and with Staff supervision, unless prior arrangements have been made.
8. Campers agree not to deface or destroy camp property. This includes graffiti on the walls of living spaces and other buildings. Parents will be held financially responsible for any damages.
9. Campers agree not to have exposed food or drink in their rooms in order to keep insects and other critters out of the buildings and for health and sanitation reasons.
10. Campers must wear shoes in the buildings and on the grounds.
11. Gum chewing is not permitted at camp.
12. Campers agree to the cell phone policy as stated in the Parent-Camper Handbook, and campers and parents agree to all of the other provisions of the Parent-Camper Handbook.

15. Campers are housed (3 to 6 campers to a room) in facilities which were formerly a hotel, and, therefore, different from most camps. It is specifically cited, however, that Stagedoor Manor is a camp and not a hotel and should be considered accordingly.
16. The undersigned understands that part of the training program may include performances before a paying public, appearing in taped shows and in pictures and video which is shot in conjunction with the program (collectively "performances"). The undersigned hereby gives permission for the camper to take part in the performances both on and off campus with neither extra fee nor compensation. The camper may travel by camp vehicle or via hired carrier. As further consideration for the enrollment of the camper, the undersigned hereby grants to Stagedoor Manor the right to use any performance, photograph, film, or videotape in which the camper appears for broadcast, publication, advertising or exhibition.
